

US District Clerk Of Court
900 Market St #400
Phila PA 19107

To whom it may concern:

The reason I am writing is recently I disputed a public record listed on a consumer report. The consumer reporting agency in return stated they verified the information with the court.

Do the court verify information for third party agencies and what is the process that is used to verify information for third party agencies?

Thank you for your prompt response.

Enclosed you will find a self addressed prepaid letter.

Best regards,
Johntel Clark
